GAMEPLAY: 5-RUN RULE

When participating in an NYS Baseball or Softball event, there are 3 ways to end an "at bat":

44. Increase a lead by five runs. This does not apply in the first inning.
45. Bat through your entire line-up once. Remember that a team may equal the same number of batters as the opposing team.
46. Three outs.

Whichever of the above events happens first in a given half inning concludes that half inning immediately.
